Dear Robert

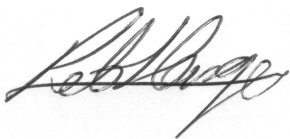

Books in Homes Australia would like to express its appreciation to you for sharing your book *How to Defeat the Icky, Filthy, Creepy, Slimy Corona Monster!* with the preschools, childcare centres, communities and primary schools on our Program.

During the challenges precipitated during our Covid-19 lockdowns and periods of isolation, your resource has proved to be instrumental in helping children and families manage their anxiety and also helped them to understand the role they play in lessening the risk of contracting or spreading the virus.

To give you context on what we do, Books in Homes Australia is a charitable foundation that provides books-of-choice to children living in remote, disadvantaged and low socio-economic circumstances, ensuring crucial early literacy engagement and the development of reading skills needed for lifelong achievement. Books in Homes has distributed in excess of 2.6 million books-of-choice to schools and communities around Australia since 2001.

Your book was an instructive and reader-friendly addition to the homes of children who might not ordinarily have access to materials such as yours. We appreciate your thoughtfulness, generosity and support in helping spread the messages of safety to children on our Programs.

Yours sincerely

Peter Large
CEO
Books in Homes Australia
